Dear Mrs. Gallipeau:

Re: Ad Hoc Licensing Committee
Report 2-80 - Item 1 -
Your File No. L-3

Your letter of April 17, 1980, was dealt with by Council at its Committee of the Whole meeting of May 5, 1980, at which time the following recommendation was passed:

"That the report of the Ad Hoc Committee be approved."

Would you please favour this office with a large print out of Appendix "A" to the Report, as in some cases, the print is so small and blurred, that it is impossible to read.

Yours very truly,

L. V. Hayden,
Town Clerk.

Dear Madam:

Please be advised that your letter dated April 17, 1980 was considered by the Administration Committee at its meeting on June 23rd at which time the following recommendation was made:

> "THAT this Council agree, in principle, to the uniformity of licensing, by-law standards and fees as contained in the Report on the Licensing Function in the Area Municipalities of Hamilton-Wentworth. The Clerk-Admin. be instructed to make a report relative to Appendix "A" of the Report on the Licensing Function in the Area Municipalities of Hamilton-Wentworth and other licenses having regard to the potential of abolishing certain or any licenses."

The Town Council endorsed this Committee recommendation at its meeting on July 21, 1980.

Yours truly,

Re: Ad Hoc Licensing Committee
Report 2 80 - Item 1

At the City of Hamilton Licensing Committee meeting held July 12, 1980, the above mentioned report was considered.

The members of the Committee approved the report with one exception and that deals with the question of licensing massagists. It is the feeling of the members of the Committee that this licence should be retained as it gives us additional enforcement powers when dealing with the body rub industry.

CLERK'S DEPARTMENT

Councillor D. Lawrence, Chairman
and Members of the Ad Hoc Licensing
Committee

June 9, 1981
Clerk's Report 008-81

The Ad Hoc Licensing Committee met at 12:00 noon, Tuesday June 9, 1981 with the following members present:

Present:	Chairman (Councillor) D. Lawrence Councillors A. Sloat, B. Ward
Also Present:	Messrs. C. Armstrong, E. Simpson, S. Dembe, J. Brezina, R. Waters, L. Mikulich Mrs. B. M. Tinsley

but due to the lack of a quorum the members present request that the Ad Hoc Licensing Committee approve the following for presentation to Regional Council.

1. THAT the Area Municipalities of the Hamilton-Wentworth Region review their existing by-laws and adopt uniform standards and fees.

2. THAT the trades licensing function be on a Regional basis and that representation be made to the Province of Ontario to amend the Regional Act in this regard.

3. THAT only those businesses and trades be licensed as recommended in Appendix A with the exception of the following:

   a) licensing of explosives be retained.

   b) licensing of laundries be retained.

   c) licensing of massagist be retained.

4. THAT the Provincial Legislation concerning municipal licensing be rewritten in broad terms; and

   That all provisions for licensing be provided for in the Municipal Act which would allow flexibility in issuing licenses i.e. all businesses such as restaurants fish vendors, refreshment vehicles could be issued one type of license such as "Food Handler License".

5. THAT the Administrator's Committee be authorized to prepare a plan of implementation for licensing regarding regulations, by-laws and fees, etc.

For the information of the Committee:

The licensing of taxis was deferred for future investigation by the Area Administrators for additional information.

It was also agreed that a meeting of the Ad Hoc Licensing Committee be scheduled prior to the July 21, 1981 Regional Council meeting in order that the recommendations be presented to Council.

Respectfully submitted,

B. M. Tinsley,
Secretary.

REPORT ON THE LICENSING FUNCTION

IN THE AREA MUNICIPALITIES

OF HAMILTON-WENTWORTH

October 1979

Revised following Licensing
Committee Meeting June 1981.

REPORT ON LICENSING IN THE AREA MUNICIPALITIES OF THE REGIONAL MUNICIPALITY OF HAMILTON-WENTWORTH - BY THE COMMITTEE OF AREA ADMINISTRATORS AND CLERKS - OCTOBER 1979

INTRODUCTION

The Regional Licensing Committee requested that the Committee of Area Administrators and Clerks review the matter of municipal licensing and make recommendations to that Committee as to what types of trades, businesses and activities should be licensed and recommend improvements to the licensing procedures in the area municipalities and the Region of Hamilton-Wentworth.

The rather complex subject of municipal licensing has been reviewed in recent years by the Association of Municipal Clerks and Treasurers of Ontario, the Association of Municipalities of Ontario, the Municipal Liaison Committee, as well as the Province of Ontario. The Municipality of Metropolitan Toronto also conducted an extensive review of the licensing function in Metropolitan Toronto in 1977. A copy of that Review is available for information purposes. The Province, as a result of its review, introduced Bill 105 in the spring of 1977. However, for various reasons this Bill did not pass through the Legislature.

The Committee reviewed the statements made by the above-mentioned bodies, as well as the existing licensing by-laws in effect in the area municipalities. The Committee also met with the Ministry of Intergovernmental Affairs personnel, Local Government Organizational Branch, Functions Policy Section, concerning the whole licensing function.

As a result of these activities it became very evident that a philosophy on the need for licensing had to be agreed upon prior to recommending what areas of activity should be licensed.

PROPOSED LICENSING PRINCIPLES AND PHILOSOPHY

The Committee concurs with the four broad principles enunciated by the former Treasurer of Ontario, the Honourable Darcy McKeough, in April 1977 as the basis for municipal licensing in Ontario municipalities.

1. Provincial and Municipal interference in private businesses should take place only when necessary.

The Committee is of the opinion that licensing powers should be exercised with restraint and only when necessary in the public interest.

2. The Law should be as clear, simple and up-to-date as possible.

The complexity of existing licensing by-laws and procedures tend to make some citizens disregard the present licensing procedures with the result that the municipalities are spending too much of the taxpayers' money enforcing the licensing powers.

3. The ability of municipal councils to make decisions in the licensing field should be strengthened.

Present Legislation permitting licensing is contained in various Acts and sets out explicitly what a municipality can license and what it cannot license, with the result that a municipality at times is unable to act quickly in the public interest.

4. The municipal power to license should be used to protect the public and not to raise money for the municipality.

Basically, the Committee agrees that the licensing function should not be a means of raising money for the municipality, but is of the opinion that the license fee should be sufficient to cover direct administrative costs resulting from the licensing function.

REVIEW OF EXISTING MUNICIPAL LICENSING BY-LAWS OF AREA MUNICIPALITIES

The Committee reviewed the licensing by-laws of Ancaster, Dundas, Flamborough, Glanbrook, Hamilton and Stoney Creek and recommends that only those activities which have to be controlled in the public interest should be licensed.

Numerous meetings were held with personnel from various municipal departments such as the Fire and Police Departments, Building Inspection and the Hamilton-Wentworth Health Unit. Their concerns were considered and incorporated into the recommendations of the Committee. The Health Unit, in particular, wanted the municipalities to continue licensing all businesses dealing in food preparation to ensure that a proper information system could be maintained on that type of business. The Committee agreed to recommend that licensing of food handling premises continue to be licensed. However, if the Health Unit at some future date is able to develop an information system to serve its needs, then municipal licensing of food preparation premiums should be reviewed as the Health Unit has the power to regulate this area of activity without municipal licensing.

The Committee recommends that businesses and activities that involve the following areas should be licensed:

(a) Public Safety

(b) Maintenance of a Degree of Standards

(c) Nuisance Control

(d) Law Enforcement

Attached - and marked Appendix "A" - is a consolidation of the Trades and Businesses presently licensed in the six area municipalities. On the right hand side is the Committee's recommendation as to what should be licensed and what should not be licensed.

The licenses issued to tradespersons attesting to their competency should be valid in any area municipality within the Region so it would no longer be necessary for a tradesperson to have to be licensed in every area municipality in the Region.

REVIEW OF PROVINCIAL LEGISLATION

The municipality's power to license is contained in various Acts and the Legislation should be amended to grant general licensing powers to a municipality under The Municipal Act. All licensing powers should rest with the municipal council.

The municipal council should be given the power to delegate the licensing procedure to municipal staff.

Our discussion with the Ministry of Intergovernmental Affairs officials indicate that the foregoing thoughts are compatible with the Ministry's approach to licensing which will probably be included in a new Bill to be introduced into the Legislature in the near future.

RECOMMENDATIONS

1. That the area municipalities of the Region of Hamilton-Wentworth review their existing by-laws and adopt uniform licensing standards and fees.

2. That the trades licensing function be on a Regional basis and that representation be made to the Province of Ontario to amend The Regional Act in this regard.

3. That only those businesses and trades be licensed as recommended in Appendix "A" and other licenses be abolished.

4. That the Provincial Legislation concerning municipal licensing be rewritten in broad terms and that all provision for licensing be provided for in The Municipal Act which would allow flexibility in issuing licenses, i.e., all businesses such as restaurants, fish vendors, refreshment vehicles could be issued one type of license such as "Food Handler License".
